

Loaves and Fishes Food Pantry

delcoloavesandfishes.org

**Your gift will provide fresh vegetables
for a family in need.**

Loaves and Fishes Food Pantry in Prospect Park, PA began as a traditional food pantry 20 years ago. To meet the growing needs of its increasingly diverse community, the pantry became a grocery store in 2022, providing a whole new experience for its clients. Those in need can grab a cart and fill it with frozen meat and vegetables, fresh produce, shelf-stable food, and personal care items.

In Delaware County, over 43,000 people are food insecure,
7.5% of the population.

Yet as groceries have become more expensive for everyone, sourcing food for the pantry has become harder and more expensive. Gifts make it possible for the pantry to keep its doors open and healthy, nutritious, and culturally appropriate food on its shelves. The need is real.

Last year, the fully volunteer-run pantry served over 1000 families, including 500 seniors and 1800 children from throughout Delaware County.
